education and academic degrees

- [2006] Category : education and academic degrees
 Description : "[Space as Interface - Bridging the Gap with Cameras](#)" - Ph.D.-dissertation submitted for defence at Aarhus School of Architecture december 2006
 Institution : [AAA](#)
- [2005] Category : education and academic degrees
 Description : [re:form](#) - 3 months guest researcher at the re:form studio under the swedish [interactive institute](#). During my stay I was engaged in the [static](#) project and part of the [missing link](#) workshop team
 Institution : [DAIMI, AU](#)
 Link : www.tii.se/reform
- [2004] Category : education and academic degrees
 Description : dIntProg - introductory course to object oriented programming in Java at the institute of computer science, University of Aarhus. The course uses java to demonstrate structures and work arounds in object oriented software programs. The course is taken as a part of my phd project - 5 ects.
 Institution : [DAIMI, AU](#)
 Link : www.daimi.au.dk/dIntProg
- [2004] Category : education and academic degrees
 Description : phd school - dealing with philosophy and theory of science at Aarhus School of Architecture
 Institution : [AAA](#)
- [2003] Category : education and academic degrees
 Description : Convivio summer school in Roma, on the subject "Mixed Reality" - 14 days with 35 phd and master students from 16 contries
 Institution : [DAIMI, AU](#)
 Link : www.daimi.au.dk/~alo/html/convivio
- [2000] Category : education and academic degrees
 Description : Cand. arch. at the department of CommunicationDesign, Aarhus school of architecture, Denmark
 [1999] department for CommunicationDesign
 [1998] department for international architecture
 [1997] internship at [Archi-Tectonics](#), Winka Dubbeldam, New York
 [1997] department of urban transformations
 [1996] basics
 Institution : [AAA](#)
- [1994] Category : education and academic degrees
 Description : High School examination (Studentereksamen), Chemistry-Physics specialization, Risskov, Denmark
 Institution : [risskov amts gymnasium](#)
- [1991] Category : education and academic degrees
 Description : Primary school, Risskov, Denmark
 Institution : risskov school

memberships

- [2005]** Category : memberships
Description : member of The Danish Society of Artists under [The Academy Council](#) until 2017
Link : www.akademiraadet.dk/kunstnersamfundet
- [1997]** Category : memberships
Description : member of AA - The Architects' Association of Denmark
Link : www.arkitektforeningen.dk

competitions

- [2003]** Category : competitions (prequalified)
Description : "IKH2003" - a proposal for a new sports- and cultural complex on norrebro, copenhagen. Lokale- og anlægsskuffonden (LOA) and the municipality of copenhagen (KK)
People : [kollision](#), Hou og Partnere, [MTHojgaard](#) and [Wissenberg](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/ikh
- [2003]** Category : competitions (DAL)
Description : "Rønde nord" - a proposal for a new housing area in the hilly landscape of rønde
People : andreas lykke-olesen
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/roende
- [2002]** Category : competitions (DAL)
Description : "Lisbjerg" - a proposal for a new plan for the lisbjerg area outside aarhus
People : andreas lykke-olesen and julie reinau
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/lisbjerg
- [2001]** Category : competitions (DAL)
Description : "Bedre Billigere Boliger" - a proposal for a cheap configurable housing complex
People : andreas lykke-olesen and morten rask gregersen
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/bbb
- [2001]** Category : competitions (DAL)
Description : "xL-mast" - a proposal for a new high voltage powerline pylon to be used between haverslev and mariger
People : [kollision](#), jørgen kepler, john rasmussen and claus leth bach
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/mast
- [2001]** Category : competitions (DAL)
Description : "brandTilst" - a proposal for a planning strategy for the tilst area outside aarhus
People : [kollision](#), johannes pedersen and lars jensen
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/tilst
- [2000]** Category : competitions (DAL)
Description : "NWOL" - IT and architecture. A visionary proposal for the consequences of a merge between architecture and information technology
People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/nwol
- [1999]** Category : competitions (DAL)
Description : "Livredderstation" - a proposal for a mobile life guard tower for a number of danish beaches
People : andreas lykke-olesen and lene hammer pedersen
Institution : private
Link : www.daimi.au.dk/~alo/html/livredder
- [1997]** Category : competitions (DAL)
Description : "Parcelhuset som arkitektur" - a proposal for a new housing design for mass production
People : andreas lykke-olesen, karsten sinning and per bo madsen
Institution : private

- [2006] Category : teaching
 Description : Theoretical study group on design methods for 3rd year students at the institute of design. The study group introduced to several different approaches to designing from the perspective of different disciplines.
 People : andreas lykke-olesen and tobias løssing
 Institution : [AAA](#)
- [2005] Category : teaching
 Description : Missing Link - Designing for Dependency. An interaction design workshop for students from the IT-university in Gothenburg and K3 in Malmö. The goal with the workshop was to design interactive components for a larger system - which relates to flocking behaviour theory.
 People : andreas lykke-olesen, eva eriksson, peter ljunstrand and david cuartielles
 Institution : [interactivespaces.net](#)
 Link : www.daimi.au.dk/~alo/missing_link
- [2004] Category : teaching
 Description : Virtual Public Space - assemblage workshop in Gothenburg bringing together students from CTH, LTH and KTH in Sweden. The workshop discusses topics from three ongoing phd-projects on the mix between space and technology and the consequences for social interactions
 People : andreas lykke-olesen, rune nielsen, martin ludvigsen and eva eriksson
 Institution : [interactivespaces.net](#) and [CAVI](#)
 Link : www.daimi.au.dk/~alo/html/assemblage
- [2003] Category : teaching
 Description : Workshop, "interactive 3D models" - Urban Planning 8. semester
 People : andreas lykke-olesen
 Institution : [A&D](#)
 Link : www.daimi.au.dk/~alo/html/aalborg_workshop
- [2002] Category : teaching
 Description : External associate professor, 3D modelling and animation
 People : andreas lykke-olesen
 Institution : [DAIMI, AU](#)
 Link : www.daimi.au.dk/~alo/3D_E02
- [2002] Category : teaching
 Description : Research assistant, new concepts for virtual studios
 People : andreas lykke-olesen, rune nielsen, svend erik søfelt and kim halskov
 Institution : [IMV, AU](#) and [AAA](#)
 Link : www.daimi.au.dk/~alo/navs
- [2002] Category : teaching
 Description : Research assistant, "layers of reality" - january course
 People : andreas lykke-olesen, rune nielsen and tobias løssing
 Institution : [AAA](#)
 Link : www.daimi.au.dk/~nrune/lav
- [2002] Category : teaching
 Description : Consultant regarding "IT and Planning" on 4. semester
 People : andreas lykke-olesen
 Institution : [A&D](#)
- [2002] Category : teaching
 Description : Course in Photoshop and Director for graduated architects
 People : andreas lykke-olesen and tue kappel
 Institution : AAA's efteruddannelse
- [2002] Category : teaching
 Description : Research assistant, eDesign - a multidisciplinary course on the subject future school
 People : andreas lykke-olesen, rune nielsen, tobias løssing, ole iversen, uffe lentz, peter krogh, kaj grønøbæk and christina nielsen
 Institution : [AAA](#) and [AU](#)
 Link : www.daimi.au.dk/edesign
- [2001] Category : teaching
 Description : Course in Photoshop and Director for graduated architects
 People : andreas lykke-olesen and thomas valenzuela
 Institution : AAA's efteruddannelse
- [2001] Category : teaching

Description : Research assistant, new concepts for virtual studios
People : andreas lykke-olesen, rune nielsen, svend erik søfelt and kim halskov
Institution : [IMV](#), [AU](#) and [AAA](#)
Link : www.daimi.au.dk/~alo/virtualset

[2001] Category : teaching
Description : External associate professor, 3D modelling and animation
People : andreas lykke-olesen
Institution : [DAIMI](#), [AU](#)
Link : www.daimi.au.dk/~alo/3D

[2000] Category : teaching
Description : External associate professor, 3D modeling and animation
People : andreas lykke-olesen
Institution : [DAIMI](#), [AU](#)

talks and speaks

[2006] Category : talks and speaks
Description : talk at [library seminar](#) on the interactive children's library with jannik mulvad at the main municipality library in aarhus
People : andreas lykke-olesen
Institution : interactivespaces.net
Link : www.aakb.dk

[2005] Category : talks and speaks
Description : talk at the Arki:Vision course at the supplementary education at the aarhus school of architecture on networks and personal development through my educational choices
People : andreas lykke-olesen
Institution : interactivespaces.net and [kollision](#)
Link : www.aarch.dk/efteruddannelsen

[2005] Category : talks and speaks
Description : talk for the librarians from the five libraries of the municipality of gentofte on the library projects conducted at interactivespaces
People : andreas lykke-olesen
Institution : interactivespaces.net
Link : www.genbib.dk

[2005] Category : talks and speaks
Description : talk for realdania on vr and visualizations based on the [ncc-document](#) and work done in the panorama
People : andreas lykke-olesen and rune nielsen
Institution : interactivespaces.net and [CAVI](#)
Link : www.realdania.dk

[2005] Category : talks and speaks
Description : talk at [arkitema](#) on my phd-project "space as interface"
People : andreas lykke-olesen
Institution : interactivespaces.net
Link : www.arkitema.dk

[2005] Category : talks and speaks
Description : talk at the release of the [Kårk magazine #14 \(R\)evolution](#) on my phd-work which was brought as an interview by asbjørn søndergaard
People : andreas lykke-olesen
Institution : interactivespaces.net
Link : www.aarch.dk/kaark

[2005] Category : talks and speaks
Description : talk at [Forskningens Døgn](#) (Day of Research) on "User freindly technology for the inner child" with phd-student [rune nørager](#) who works with hci aspects at [B&O](#)
People : andreas lykke-olesen and rune nørager
Institution : interactivespaces.net and [AAA](#)
Link : www.forskningsdoegn.dk

[2005] Category : talks and speaks
Description : talk at master class in museology at [AU](#) on mixed realities in relation to exhibitions and planning of these. This was as well discussed into urban technological exhibition spaces
People : andreas lykke-olesen and rune nielsen
Institution : interactivespaces.net and [CAVI](#)

- Link : www.au.dk/da/evu/katalog/2005412.htm
- [2005] Category : talks and speaks
Description : talk at the [School of Architecture Aarhus](#) on my ongoing phd-projects [space as interface](#)
People : andreas lykke-olesen
Institution : [AAA](#)
Link : www.daimi.au.dk/~alo/html/news/content_talk_aaa.html
- [2005] Category : talks and speaks
Description : talk and workshop on different approaches towards parametric design at Urban Design, [A&D](#)
People : andreas lykke-olesen and tobias løssing
Institution : [AAA](#)
Link : www.daimi.au.dk/~alo/html/parametric_workshop
- [2005] Category : talks and speaks
Description : talk on the situation for young architecture studios, at the conference "future architecture politics" held by [the danish ministry of culture](#) at [DAC](#) - center for danish architecture
People : andreas lykke-olesen
Institution : [kollision](#)
Link : www.kum.dk
- [2005] Category : talks and speaks
Description : talk at the institute for design, [AAA](#), on the workshop [Virtual Public Space](#) and critical design proposals from the interaction design workshop [Convivio 2003](#)
People : andreas lykke-olesen
Institution : [interactivespaces.net](#)
- [2004] Category : talks and speaks
Description : talk at the supplementary training course [IT Visualization](#) at the Aarhus School of Architecture on aspects of 3D visualizations
People : andreas lykke-olesen
Institution : [kollision](#)
Link : www.eft.a-aarhus.dk
- [2004] Category : talks and speaks
Description : talk for the [Danish Town Planning Institute](#) on digital and analog methods in planning processes
People : andreas lykke-olesen and rune nielsen
Institution : [kollision](#)
Link : www.byplanlab.dk
- [2004] Category : talks and speaks
Description : talk at the architect studio [plot's](#) ongoing plot-files on current work with focus on design methods
People : andreas lykke-olesen
Institution : [kollision](#)
Link : www.plot.dk
- [2004] Category : talks and speaks
Description : talk at [clinch] at [KA](#) on the relation between the architecture study and practice afterwards with focus on IT and space
People : andreas lykke-olesen
Institution : [kollision](#) and [interactivespaces.net](#)
Link : www.karch.dk
- [2004] Category : talks and speaks
Description : talk for danish center for design research at the design school in kolding on the relation between design research as researcher and practitioner
People : andreas lykke-olesen and rune nielsen
Institution : [kollision](#) and [interactivespaces.net](#)
Link : www.deskol.dk
- [2004] Category : talks and speaks
Description : talk at the textile academy in hellerup cph on pervasive computing projects and use of information technology for supporting design processes
People : andreas lykke-olesen and rune nielsen
Institution : [kollision](#)
Link : www.ht-akademi.dk
- [2004] Category : talks and speaks
Description : talk at the inSpe workshop "control your ideas" at [AAA](#) on prototyping and presentation techniques for architect students
People : andreas lykke-olesen
Institution : [interactivespaces.net](#)
Link : www.inspe.a-aarhus.dk

- [2004]** Category : talks and speaks
Description : talk at a one day conference for urban planners at AAA. Rune and I talked about technology supported planning processes and projects
People : andreas lykke-olesen and rune nielsen
Institution : [interactivespaces.net](#) and [kollision](#)
- [2004]** Category : talks and speaks
Description : talk on the relationship between running a business and doing phd. research - for architects thinking of starting their own firm

People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/andante
- [2002]** Category : projects
Description : "trekroner", sketch project for the municipality of roskilde, relating to the workshop
People : andreas lykke-olesen and jacob blak
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/trekroner_sketch
- [2002]** Category : projects
Description : "trekroner", workshop involving a wide range of people related to the site of trekroner east
People : andreas lykke-olesen and jacob blak
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/trekroner_workshop
- [2002]** Category : projects
Description : Videoprototype - "interactive school environments"
Virtual studio prototype of a future school projects setup mixing field and lab work with external experts
People : andreas lykke-olesen, rune nielsen and kaj grønøbæk
Institution : [DAIMI, AU](#)
Link : www.daimi.au.dk/~alo/html/skole
- [2002]** Category : projects
Description : Videoprototype - "playful interaction"
Virtual studio prototype of blue sky interactions in an office environment
People : andreas lykke-olesen, rune nielsen, martin ludvigsen, mette agger and peter krogh
Institution : [DAIMI, AU](#)
Link : www.daimi.au.dk/~alo/html/playful
- [2002]** Category : projects
Description : CD-rom production for a Springer Verlag anthology on Production Methods edited by Kim Halskov
People : [kollision](#)

- Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/production
- [2001] Category : projects
Description : Peter Sabroe web - design strategy for the website of Peter Sabroe teacher-training college
People : [kollision](#)
Institution : [kollision](#)
Link : www.petersabroe.dk
- [2001] Category : projects
Description : Videoprototype - "pervasive healthcare"
Virtual studio prototype of workflows in the future healthcare system
People : andreas lykke-olesen, rune nielsen, jakob bardram and claus bossen
Institution : [DAIMI, AU](#)
- [2001] Category : projects
Description : Research project, "aesthetic exploration of virtual 3D worlds"
People : andreas lykke-olesen, rune nielsen, svend erik søfelt, kim halskov and morten lervig
Institution : [AAA](#) and [AU](#)
Link : www.daimi.au.dk/~alo/html/scenografi
- [2000] Category : projects
Description : Sheik Zayed Knowledge Center - concept development, 3d modelling, animation and digital presentations for [Schmidt, Hammer og Lassen](#) on the competition for the Sheik Zayed Knowledge Center in the United Arab Emirates
People : [kollision](#)
Institution : [kollision](#)
- [2000] Category : projects
Description : kronjysk steel - CD-rom production containing 3D models and animations
People : andreas lykke-olesen
Institution : private
Link : www.daimi.au.dk/~alo/html/kronjysk
- [2000] Category : projects
Description : aalborg east - 3D modelling and photomatch of three competition projects in three overview perspectives - for the municipality of aalborg
People : andreas lykke-olesen
Institution : private
Link : www.daimi.au.dk/~alo/html/aalborg

exhibitions

- [2006] Category : exhibitions
Description : "...i bølgen blå", an interactive project mixing the hot topics of real estate prices and the consequences of global warming, at the national autumn exhibition at the Charlottenborg
People : [kollision](#)
Institution : [kollision](#), CAVI and AAA
Link : www.daimi.au.dk/~alo/html/iBolgenBlaa
- [2002] Category : exhibitions
Description : "parc" – public augmented reality cube, a mixed reality installation in the park of norrebro, Copenhagen
People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/parc
- [2002] Category : exhibitions
Description : "Okay" – a poster exhibition on JCDecaux's poster booths trying to link digital 3D objects to specific locations in the city
People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/okay
- [2002] Category : exhibitions
Description : "0.2:kollision", a mixed reality urban planning game, at the national spring exhibition at the Charlottenborg
People : [kollision](#) and peter skaarup
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/charlottenborg
- [2001] Category : exhibitions
Description : "kollision:6400", a mixed reality urban planning game, at the castle of sonderborg

People : [kollision](#) and peter skaarup
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/6400

awards

- [2004]** Category : awards
Description : The iFloor paper "[Help me move that cursor](#)" receives the Best Paper Award at the [ozchi 2004](#) conference in Wollongong, Australia
People : andreas lykke-olesen, peter krogh, martin ludvigsen
Institution : [interactivespaces.net](#)
- [2004]** Category : awards
Description : The iFloor project receives the Danish Design Award 2004 - vision prize.
People : andreas lykke-olesen, peter krogh, martin ludvigsen and kaspar rosenngren
Institution : [interactivespaces.net](#)
Link : www.daimi.au.dk/~alo/html/ibib_iFloor
- [2004]** Category : awards
Description : kollision receives architect Henning Larsens scholarship 2004 - 50.000 kr - for their persistent work between research, information technology and architecture.
People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/hlt
- [2003]** Category : awards
Description : kollision receives the Nykredit opmuntringslegat - 50.000 kr - for their consistent work on using IT as a tool for creating user participation in urban planning processes
People : [kollision](#)
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/nykredit

conferences and seminars

- [2006]** Category : conferences and seminars
Description : [CHI2006](#), Montreal, Canada - co-author on extended abstract - "[Use your head: exploring face tracking for mobile interaction](#)"
People : andreas lykke-olesen, eva eriksson and thomas riisgaard hansen
Institution : [interactivespaces.net](#)
Link : www.chi2006.org
- [2005]** Category : conferences and seminars
Description : "Mobile media; mobile youth" - a crossroads copenhagen conference on the social impact of mobile devices on modern youth, held at the university of copenhagen - department of film and media
People : andreas lykke-olesen, martin ludvigsen and martin brynskov
Institution : [interactivespaces.net](#)
Link : www.crossroadscopenhagen.com
- [2005]** Category : conferences and seminars
Description : "[The day of light](#)" - conference on light design in architecture held by the foundation of light technique at holmen, copenhagen
People : andreas lykke-olesen
Institution : [interactivespaces.net](#)
Link : www.lysteknisk.dk
- [2005]** Category : conferences and seminars
Description : [HCI2005](#), Edinburgh, Scotland - co-author on the full paper "[Mixed Interaction Spaces - Expanding the Interaction Space with Mobile Devices](#)"
People : andreas lykke-olesen
Institution : [interactivespaces.net](#)
Link : www.hci2005.org
- [2005]** Category : conferences and seminars
Description : [Aarhus2005 - Critical Computing](#), Aarhus, Denmark - co-author on the workshop paper - "[Movement and Space - Exploring the Space in Movement based Interaction](#)"
People : andreas lykke-olesen
Institution : [interactivespaces.net](#)
Link : www.aarhus2005.org
- [2005]** Category : conferences and seminars
Description : [CHI2005](#), Portland (OR), USA - co-author on the two short papers - "[Floor Interaction - HCI Reaching New Ground](#)" and "[Mixed](#)

Interaction Space – Designing for Camera Based Interaction with Mobile Devices"

People : andreas lykke-olesen
Institution : interactivespaces.net
Link : www.chi2005.org

- [2005] Category : conferences and seminars
Description : Creativity in Design, Art and Science - a seminar arranged by [AU](#), [AUC](#) and [SDU](#) on the relationship between creativity in science and art
People : andreas lykke-olesen
Institution : [AAA](#) and [AU](#)
Link : www.cavi.dk/kid/arrangementer.htm
- [2004] Category : conferences and seminars
Description : Crossroads Copenhagen - Conference on Context Aware Computing at the [IT University of Copenhagen](#)
People : andreas lykke-olesen
Institution : interactivespaces.net
- [2004] Category : conferences and seminars
Description : ozchi2004, Wollongong, Australia presenting the paper "[Help Me Pull That Cursor](#)"
People : andreas lykke-olesen and kaj grønøbæk
Institution : interactivespaces.net
- [2003] Category : conferences and seminars
Description : summit03 - a two day workshop and seminar on the relation between IT research and industry - held by the "jysk-fynsk IT-satsning" and The Ministry of Science, Technology and Innovation
People : andreas lykke-olesen, martin ludvigsen, kaj grønøbæk and marianne graves
Institution : [AU](#)
Link : www.daimi.au.dk/~alo/html/summit03
- [2003] Category : conferences and seminars
Description : [vision workshop on the future school](#) - at the [DDC](#), danish design center
People : andreas lykke-olesen and ole iversen
Institution : [AU](#)
Link : www.daimi.au.dk/~alo/html/ddc
- [2002] Category : conferences and seminars
Description : DIS2002, British Museum, London
People : andreas lykke-olesen, rune nielsen and kim halskov
Institution : [cavi](#)
- [2001] Category : conferences and seminars
Description : SigGraph2001, Los Angeles
People : andreas lykke-olesen, rune nielsen, svend erik søfelt and kim halskov
Institution : [AAA](#) and [AU](#)
- [2001] Category : conferences and seminars
Description : nordic association for architectural research - conference on architectural research and information technology
People : andreas lykke-olesen
Institution : [AAA](#)

publications

- [2007] Category : publications
Description : "Reclaiming Public Space - Designing for Public Interaction with Private Devices" - full paper accepted at TEI2007 in Baton Rouge, New Orleans
People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
Institution : interactivespaces.net, [center for pervasive healthcare](#) and [idc | interaction design collegium](#)
Link : www.daimi.au.dk/~alo/tei2007
- [2006] Category : publications
Description : "Movement-based Interaction in Camera Spaces: a conceptual framework" - full paper published in the Journal of Personal Ubiquitous Computing
People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
Institution : interactivespaces.net, [center for pervasive healthcare](#) and [idc | interaction design collegium](#)
Link : www.daimi.au.dk/~alo/puc
- [2006] Category : publications
Description : "Use your head: exploring face tracking for mobile interaction" - extended abstract presented as poster at [CHI2006](#) in Montreal,

- Canada
- People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
 Institution : interactivespaces.net, [center for pervasive healthcare](http://centerforpervasivehealthcare.com) and [idc | interaction design collegium](http://idc.interaction-design-collegium.com)
 Link : www.daimi.au.dk/~alo/chi2006
- [2005]** Category : publications
 Description : "Mixed Interaction Spaces – a new interaction technique for mobile devices" - demo paper to be presented at [UbiComp 2005](http://UbiComp2005.com) in Tokyo, Japan
 People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
 Institution : interactivespaces.net and [center for pervasive healthcare](http://centerforpervasivehealthcare.com)
 Link : www.daimi.au.dk/~alo/ubicomp2005
- [2005]** Category : publications
 Description : "Mixed Interaction Spaces – expanding the interaction space with mobile devices" - full paper to be presented at [HCI 2005](http://HCI2005.com) in Edinburgh, UK
 People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
 Institution : interactivespaces.net and [center for pervasive healthcare](http://centerforpervasivehealthcare.com)
 Link : www.daimi.au.dk/~alo/hci
- [2005]** Category : publications
 Description : "Movement and Space – Exploring the Space in Movement based Interaction" - workshop paper for the workshop "approaches towards movement-based interaction" at the Aarhus2005 conference on critical computing in Aarhus, Denmark
 People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
 Institution : interactivespaces.net and [center for pervasive healthcare](http://centerforpervasivehealthcare.com)
 Link : www.daimi.au.dk/~alo/cc2005
- [2005]** Category : publications
 Description : "Mission from Mars - A Method for Exploring User Requirements for Children in a Narrative Space" - full paper at IDC 2005 in Boulder, Colorado
 People : andreas lykke-olesen, christian dindler, eva eriksson, ole sejer iversen and martin ludvigsen
 Institution : interactivespaces.net
 Link : www.daimi.au.dk/~alo/idc
- [2005]** Category : publications
 Description : "Floor Interaction - HCI Reaching New Ground" - short paper at [CHI 2005](http://CHI2005.com) in Portland on an architectural approach to discuss floors in pervasive computing contexts
 People : andreas lykke-olesen, marianne graves petersen, peter gall krogh and martin ludvigsen
 Institution : interactivespaces.net
 Link : www.daimi.au.dk/~alo/chi_2
- [2005]** Category : publications
 Description : "Mixed Interaction Space – Designing for Camera Based Interaction with Mobile Devices" - short paper at [CHI 2005](http://CHI2005.com) in Portland on camera based interaction on mobile devices
 People : andreas lykke-olesen, thomas riisgaard hansen and eva eriksson
 Institution : interactivespaces.net and [center for pervasive healthcare](http://centerforpervasivehealthcare.com)
 Link : www.daimi.au.dk/~alo/chi
- [2004]** Category : publications
 Description : "Quality Control in Visualization Processes" - paper at ecaade 2004 in copenhagen on quality control of computer supported visualization processes in planning and architecture projects
 People : andreas lykke-olesen and uffe lentz
 Institution : interactivespaces.net
 Link : www.daimi.au.dk/~alo/ecaade
- [2004]** Category : publications
 Description : "Be there or be square" - short paper submitted at nordichi 2004 (not accepted) on the assemblage workshop [Virtual Public Space](http://VirtualPublicSpace.com) held in gothenburg
 People : andreas lykke-olesen, martin ludvigsen, eva eriksson and rune nielsen
 Institution : interactivespaces.net
 Link : www.daimi.au.dk/~alo/nordichi
- [2004]** Category : publications
 Description : "Help me move that cursor" - paper at ozchi 2004 on the development and implementation of the [ifloor](http://ifloor.com) projects at the aarhus main library
 People : andreas lykke-olesen, martin ludvigsen and peter krogh
 Institution : interactivespaces.net
 Link : www.daimi.au.dk/~alo/ozchi
- [2004]** Category : publications
 Description : "software and designproces", article in the Danish national architecture magazine "arkitekten"
 People : andreas lykke-olesen

Institution : private
Link : www.daimi.au.dk/~alo/software_designproces

[2002] Category : publications
Description : Virtual Video Prototyping of Pervasive Healthcare Systems, DIS2002 conference paper
People : andreas lykke-olesen, jacob bardram, claus bossen, kim halskov madsen and rune nielsen
Institution : [AAA](#) and [AU](#)
Link : www.daimi.au.dk/~alo/DIS

[2001] Category : publications
Description : "layers of reality", article in the Danish national architecture magazine "arkitekten"
People : andreas lykke-olesen and rune nielsen
Institution : [kollision](#)
Link : www.daimi.au.dk/~alo/html/lav
